Available Position Description

Position: Oral Surgery RN

Description: The Oral Surgery RN assists the Oral Surgeons with IV conscious sedation, oral surgery procedures, and assisting with clinic set-up and clinic clean up. He/she prepares patients for the procedure and monitors the patient both pre & post procedure and prepares the patient for discharge. The Oral Surgery RN will work closely with the Oral Surgery team to ensure overall flow of the clinic process.

Number of Hours: Casual: 8-12 hours/week.

Schedule: Fridays and occasionally Wednesdays; 8:00 am -2:00 pm. Also fill-in for vacations, illness, and other absences. Potential for more hours possible if willing to learn the full Oral Surgery RN role and not just the recovery nurse role. Could then be eligible for more hours to fill in shifts.

Educational Requirements: RN licensure. BLS

Other: The Oral Surgery RN must work well with patients and staff in a professional and confidential manner. He/she must be a good communicator. Must be willing to become ACLS certified.
