We fit products by:

Breast Form, Shaper and Post Surgical Collection

10276

ABC MyShape Triangle
This form has ABC's classic triangle profile that provides a comfortable and secure fit for women with surgical site undulations or deficits. Especially good for women who need a wider footprint or need a mature drape to their breast form.

11202

Apex Shaper Round
Features a round shape that fills out the apex of a natural breast. The finely tapered edges and seamless transition prevents shifting in the bra cup. This product can work especially well on a reconstructed breast.

519

Compression Bra
Our design features a zipper-front with hook & eye closure, velcro cushion straps, and wide elastic band for your comfort and ease of wear. Inner pockets make for simple insertion of breast forms/ shapers.

10225

Massage Form® Asymmetric
Specialized channels encourage airflow, helping to reduce heat retention and provide a soothing touch; especially great for women experiencing symptoms associated with Lymphedema.

11276

ABC MyShaper
The specialized moldable back flexes and forms to the body, offering the most personalized fit available in any off-the-shelf breast form or shaper!

952

Zip-Front Post-Surgical Camisole
Features a zipper front and detachable shoulder clasps for easy step-in entry. Comfort strip pad helps prevent zipper irritation. Two attachable drain pouches and two triangle puff leisure forms are included.
